Re: Rambo Builders, LLC

To Whom It May Concern:

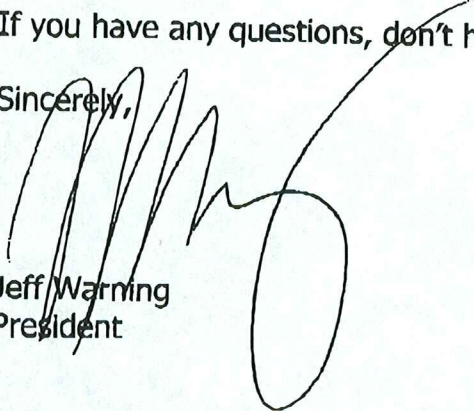

JCW Concrete has known Rambo Builders and has done business with Rambo Builders for about three years now. In addition, the owner of JCW Concrete has also worked with Rambo Builders in his previous career for many years.

Rambo Builders is an extremely competent construction company. They are very organized from all respects of the business; from our contacts out in the field to the office personnel. We have an excellent rapport with them and expect they have the same with their customers and clients. JCW Concrete is very satisfied having Rambo Builders as a customer and we expect many years of successful work to come!

In summary, JCW Concrete highly recommends Rambo Builders. They are a valuable company to work with and their high quality workmanship speaks for itself.

If you have any questions, don't hesitate to ask!

Sincerely,

Jeff Warning
President
