To Whom It May Concern,

Thank you for the opportunity to recommend Rambo Builders. I have been doing business with Robert Reyes for almost 12 years. During that time, we have worked on dozens of projects together, and I can honestly say that I have never had a bad experience working with Bob.

Mr. Reyes possesses a degree of integrity and professionalism that is uncommon in our industry, and he has successfully imparted those qualities onto his employees. From top to bottom, they are truly a first class organization. For that reason, we consider Rambo Builders to be among our best customers. I have no hesitation in recommending them for all of your upcoming construction projects.

Please feel free to contact me should you have any specific questions.

Respectfully,

John Wickett
