Subject: Letter of Recommendation

Dear Bob & the Rambo Team:

As this year comes to a close and we finish our second year of working on projects together, I wanted to take this chance to inform you of what a pleasure it has been working with you and your team of Professionals at Rambo Builders.

Your company is a consistent solid team player that has helped our clients reach nothing but the utmost potential with their real estate investments. Your continual insight as to economic (yet highly aesthetic) solutions to unforeseen issues, as well as your solid control of project time lines & budgets easily help me decide on which General Contractor to recommend to our clients.

Thank you for your referrals, as well as for your steadfast team. I will continue to call you my number one choice, any day, any week...to any client.

Best Regards,

Phillip Thompson, Assoc. AIA
President
